EXPERIENCE A BRAND NEW UNDERWATER ADVENTURE SHARK WALKER AT MELBOURNE AQUARIUM

On Thursday 22 July, Melbourne Aquarium will launch Shark Walker, a brand new underwater experience, offering visitors the chance to get up close to giant stingrays, sharks and hundreds of amazing fish - without getting their hair wet!

A Victorian tourism first, the new Shark Walker experience at Melbourne Aquarium allows visitors to step into the 2.2 million litre Oceanarium, while breathing naturally with a custom-made Shark Walker helmet. The 45 minute tour doesn't require any previous dive experience or training, only bathers, towel and a lot of courage!

Shark Walker is operated by Melbourne Aquarium's dive partner, Diving HQ, who currently run the daily Dive with the Sharks experience. For more information, or to be among the first to experience Shark Walker, call (03) 9923 5925 or visit www.melbourneaquarium.com.au.
