

MELBOURNE AQUARIUM

AMAZING WORLDS TO DISCOVER

EXTRA VALUE FOR VCE PROGRAMS

Underwater Zoo is offering classes that book a *VCE Biology* or *Chemistry* program the opportunity to add an extra hour of self-guided education to their tour of Melbourne Aquarium.

The additional journey can be used to consolidate what was learnt in the program, to visit other areas of the aquarium, or simply to allow your students some reflective time in an amazing and inspiring environment.

Program Cost: \$19.50 per student (including Underwater Zoo guided program and self-guided journey).

For further information on our VCE programs or to make a booking, please contact Angela Cali, Education Liaison Officer, on (03) 9923 5911 or email acali@melbourneaquarium.com.au
