

MELBOURNE AQUARIUM

AMAZING WORLDS TO DISCOVER

SPECIAL OFFER – DRAGONS EXTENSION PROGRAM

Underwater Zoo is offering classes that book the *Dragons & Other Secrets of the Sea* program the opportunity to extend their students' underwater journey by undertaking the *Dragon's Extension* program.

During the *Dragon's Extension* program's one hour session, students will be encouraged to work together to create a class 'Secret Book'. An excellent teaching resource, and an addition to any classroom library, the 'Secret Book' encourages students to reflect on what they learnt during their educational tour, stimulating discussion and consolidation of key ideas.

Students will also have the opportunity to decorate their very own environmentally-friendly calico bag to take home with them.

Program costs: \$19.50 per student *includes 2 hour guided program & activity

 \$19.50 per additional adult

FOC Policy (1:10 FOC adult to student ratio)

For further information or to make a booking, please contact Angela Cali, our Education Liaison Officer, on (03) 9923 5911 or email acali@melbourneaquarium.com.au
