

# Junior Keepers

## Digital workshops for schools

### Overview:

Seeking Junior Penguin Keepers! Meet our skilled SEA LIFE educators online, learn about SEA LIFE's Gentoo and King penguins, and find out how to care for these incredible and unique animals in this curriculum-aligned workshop.

### How does it work?

Aligned with the Victorian Curriculum with a focus on STEM disciplines, our online interactive classes bring students face-to-face with our experienced SEA LIFE Melbourne Educators, inspiring curiosity about the natural world and how they can help to protect it.

Our Educators can run remote workshops by dialling into Google Classroom, Zoom, Houseparty or Skype!

### What is the workshop

- The workshop runs for a total of 45 minutes
- The workshop runs through the principles of penguin care and give students an understanding of what is involved in the average day of a penguin keeper.
- The workshop is designed for students to interact, ask questions, provoke discussion.
- The 45 minute workshop will cover:
  - Penguin habitats
  - Penguin classifications
  - Penguin Food web
  - Penguin life cycles
- Resources will be provided to enhance the learning experience.
